**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. Having service from a smaller provider (Sonic) who is distributing internet service in competition with AT&T and other vendors your proposed change to access is a disturbing turn.

The competition is good, my service is cheaper than the alternatives, and there is no bundling with media services.

Please do not make it impossible for my provider to continue to compete.
