**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential consumer and it is paramount that I have CHOICE for access to broadband and I choose economical SONIC for my internet and phone!

I have been the victim of monopoly in my previous two rental residences when I was only given one supplier (Comcast/COX Communications respectively) and they charged outrageous fees knowing we were captive consumers.

We demand CHOICE for broadband service and say NO to outrageous annual price hikes for the same amount of service! We want and deserve affordable competitive providers!!

Sincerely,

Catherine Keating
