**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in an area where I have limited choice to select internet service provider. at&t provides limited internet service in my area so I am forced to use comcast internet service. I write to u to let u know how much I hate those evil internet service providers because they can charge me whatever they want for internet connection. they monopolize internet service in my area. can u explain to me why I have to buy a bundle from comcast if I only want the faster internet service? please don't act like corrupt trump administration and u are supposed to work for us.
