**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and I support broadband competition. I use Sonic and it has been vital for my day to day. I want to be able to continue and price hikes by any ridding of competition will hurt my financial status and general welfare.

Please protect my interests and keep many companies in the broadband pool.

Mega giants are not looking out for the consumer. Companies like Sonic who offer local broadband services are key to true democracy.
