**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Without the presence of Sonic, even here in Silicon Valley As we would be forced to choose between Comcast and AT&T. As a previous customer of both services I can attest that anything that harms the competitive landscape would be hugely detrimental to me and all consumers.

I am both a consumer and small business owner and with my current competitive providers...Sonic...I experience superior customer support and better pricing than I can get from the other alternatives. Despite their advertising claims and compiled data I can say from first hand experience that ATT & Comcast are woefully inadequate on both customer service and price and to do anything that harms the ability of a competitive provider to provide service would be harmful to me and my small business.
