**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm concerned about the new proposal by USTelecom. This appears to be a way to cut off competition from providing internet and phone services to small communities like mine. In my community we can really only choose between "big guys" AT&T or Comcast, and the one "little guy" that I have chosen, Sonic. We definitely need more competition in this field, not less.

Thanks.
