**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic, a local internet service provider, has been providing my community a critical and essential data service. The quality is far superior than large, national providers like Comcast and AT&T, both of which I have used before. Its also much more affordable. Please make sure providers like Sonic can compete with large conglomerates and continue to benefit communities like mine. Thank you!
