**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have a local competitive Internet provider. In terms of pricing, customer service, speed, privacy and the features it is much better than other major internet providers.

Before this local Internet provider I was stuck at slower speeds (1Mbps), instead I have 25Mbps at a much cheaper price along with a phone service.

Please help to keep our local broadband providers.

Regards,

Mete Yilmaz
