**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business person that absolutely relies on high-quality, affordable broadband access. I currently use a small, local provider that has provided me with FAR superior service than my previous service with Comcast. The Internet is faster, cheaper and the service is much better than Comcast.

Please DO NOT LIMIT COMPETITION in the broadband market by undoing elements of the 1996 Telecommunications Act that allow local providers access to UNE's to compete in the residential market.

Thank you,

Jeffrey Tsang
