**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

High speed internet access in the modern world is not luxury or convenience anymore, it is an absolutely necessity for living any kind of life. The unregulated market results in consolidation and monopolization which is inherently undemocratic and poses a danger to our country. Please do your job and help aide smaller providers to continue be competitive.
