**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been one of the other millions happiest customers of local provider (Sonic) that brought my home/business internet to the next, unreachable for big giants such as Comcast, ATT etc level. In no way I can see myself returning back to any of them. Dealing with them was nothing but a pain. Starting from internet speed and ending with customer service.

Local provider such as "Sonic" is the number one that I would like to continue having my business with. And I would like to keep this relationship for long long years ahead.

Sincerely,

Alex P
