**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential customer, and using Sonic fiber service, but previously had Sonic DSL. This included/still includes phone service, at a better price than AT&T. I support broadband competition to keep the prices reasonable. My landline is my primary method of receiving messages, not my cell phone, because of the problems with cell phones--I have had brain cancer since Sept 2014.
