**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. I hate the abuse I have gone through with Comcast and that they were our only provider doing nothing but increasing my bill without notifications. I had chosen Sonic as its local, has been very communicative, and has great support. It's been the best internet service provider that doesn't hike prices and abuse its clients. For a small town like Santa Rosa that has gone through a great ordeal with fires and flooding we want to support our local businesses that have supported our community.
