**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic, I am a tiny business helping people and Sonic delivers the phone, internet and website domains that I need! I want Sonic to be able to continue to have access to the best materials to provide the best service at the best price, otherwise, I will die and not be able to function! I say NO to price hikes that would increase the cost of internet and telephone services. We seniors just cannot afford it, and I have to work and be active at home to live. Broadband is critical to my home, business and life! _please allow and provide Sonic a way to serve us best!

Sincerely,

Cate Thomas
