**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition and desperately need it as I work from home. The fiber speeds provided by a smaller local provider give me the speeds I need at affordable rates while the Xfinity would charge me more than double for the same service unless I also pay them for television & phone which I dont need.
