**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Don't reward the big companies for going into debt from buying other communications companies and then raising prices on internet consumers to pay for their losses. If there is to be no socialism for the poor and working classes there should be none for private for profit corporations.
