**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Don't be corrupt. Look out for me and my family instead of for your future as lobbyists rolling in dough. You'll sleep better.

My family has access to two fast broadband providers: Att and Comcast. Both require we pay for (literally) unused phone and tv - upping the amount of money I have to pay to have internet without improve my experience or quality of service. They provide awful costumer support. I want to support local business so my money can stay local. Look out for us little guys: you're the only ones who can.

Thanks
