**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic for my home fiber connection because their service is faster, cheaper, and most importantly they have great customer service. I hate Comcast and if sonic is shut out I would have to go back to them. That will be a very bad day. I run a business and my Sonic connection is crucial. It is much more reliable and I can always reach them if there is a problem (unlike Comcast). Please, please, please do not take our Sonic away!!
