**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please make sure I have a choice! Dont let the big guys cut out small companies like Sonic from providing real competition.

Competition is the life line capitalism.

Do the right thing for consumers by providing a fair playing ground so I have a real choice when it comes to an ISP.

Before Sonic my only choice for internet was Comcast. I nothing had but horrible service experiences with them and since they were the only broadband provider I had no choice but to give them my business.

After Sonic starred offering service in my area I switched with out hesitation . If you make it so they cant sustain their business. Im forced to go back to Comcast. I would have no choice.

Choice is what Im asking for as customer.

Just the ability to choose who I give my hard earned dollars is what Im asking for.

Thank you.
