**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Seriously, let me have a choice! There are default monopolies all over America today, and that is not good for anyone except the corporate monopolies. I want competition and fair choices. Right now I have only 1 choice for DSL which is too slow for my needs, and only 1 choice for cable which is ridiculously expensive because they have no competition. Please allow people and other companies to compete and provide services.
