**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who has had a wonderful relationship with my broadband provider. I have had AT&T service and other major named services in the past who did not provide the superior service that I have received with my current provider. They not only provide me superior service but also very competitive prices. It was also the case that when I switched over to fiber from DSL, AT&T did not yet offer the service in my area!

Please do not dismantle key components of the 1996 Telecommunications Act.

Thank you,

Pamela Fong
