**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My local Internet provider, Comcast, has almost doubled the price I am paying for basic-rate Internet service. My guess is that they are penalizing me because I am not interested in their TV offerings.

We need an environment where competition is in providing Internet service, not confusing the issue by also be a content provider.
