**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a competitive provider for my residential IPO because they are a part of the community where I live. They understand our issues and needs. My IPO has been reliable and comes to my rescue when I have a problem. By eliminating competition the prices will surely increase with very likely little or no improvement in service or quality.
