**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a happy customer of SONIC for over a decade. ATT and Horizon seem to have taken over a huge percentage of the competition. I know what my bill will be every month. My older sister down the street now pays more for less service because her former service could not protect her.

I have internet and phone with the same good company--SONIC. The cable comes to my home and provides us with telephone and computer service.
