**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please please please do not continue to allow giant telecom companies to become even larger. We need competition. We need independent companies. Please don't give even more power to big business. My ISP is a small business that is providing excellent service. Service that would not be possible if Comcast forces them out of the market. Giant telecom companies do not have the consumer's best interest in mind and I believe it is the FCC's job to do what's best for us.

Thank you.
