**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Stop limiting our broadband connections and jacking up prices on us.

You should stop accepting bribes from big companies. This is completely immoral. There's no reason why you should support fewer competition unless you were bribed. You should be investigated.

We pay enough for services as is as the US pays the most for its internet.

Stop monopolies and oligopolies.

Matt Yee
