**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Capitalism is built on competition. We've fought to abolish monopolies from the earliest days of the existence of the USA. The money Verizon and AT&T are putting in your pockets will not hide you from the shame and hatred you will endure should these measures be considered. Please put your greed aside and think of the American people.

Woefully,

Chris Savoca
