**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose this ban and rely on broadband competition in my work and daily life as a self-employed individual and consumer. Dont let the big businesses squash our rights as Americans and consumers!

We suffered for years with at&t, constant outages, unreasonable rate hikes, and horrible customer service. Sonic has been a godsend and affordable for middle income families like us!

Please protect and uphold our rights!

Thank you!
