**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who currently subscribes to a local internet competitor because they were able to provide cheaper and faster internet services. I live in San Francisco and still chose Sonic over the big internet providers because they provided the best prices for Fiber 1K internet speeds. I'm signing this petition because we need more competition otherwise we will be limited to expensive services, with poor customer service from a limited source.
