**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In San Francisco there was basically only one high speed (100Mbps+) which was Comcast cable so I was delighted when Sonic came along and provided fiber to the home at 1000mbps. There is not enough competition in the residential internet market. Please make sure these competitive carriers can compete on an even playing field!
