**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am in support of broadband competition. I own two homes, one with limited competition (AT&T and Comcast only) and one home with greater competition (multiple carriers, such as Sonic). With the same services, I pay double the amount for my internet with less speed at the home with limited competition. The home with greater competition has fiber internet from Sonic and costs less! Reject the USTelecom efforts to change the 1996 Telecommunications Act!
