**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition brings improvement. Save the competition to prevent mediocrity.

US doesn't have the best internet connection and that is utterly unacceptable. We are the pioneer, we should not be lagging behind South Korea or other nations on internet access

Please save the competition so that we can catch up to rest of the nation.
