**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As it stands already, I am extremely limited in the choices I can make to get my internet. It has often been an area of frustration... the choice essentially being bad or just as bad.

We need more competition, not less. Please do not shut out local competitive carriers. Doors should be open for more of them, not the other way around.
