**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen Sonic because they offer a very different kind of service than the other providers such as Comcast. The latter kept increasing prices and made it impossible to talk to someone without going through a whole sleuth of steps. I am a cord cutter, and although it took me a long time to make this critical decision, I am very gratified to have found real competition in my area.

We live in a time in which we shouldn't feel stuck with only one company that runs a monopoly. I, therefore, wholly support broadband competition and will want to remain such a supportive consumer.

Sincerely,

Madeleine Trembley
