**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I rely on a carrier that requires the use of the UNEs. Without equal access, it would make things less competitive. This has the potential for prices to rise preventing me and my family from internet access at a fair price. Please continue to enforce the Telecommunications Act until a fair and better option is presented that will not cripple smaller internet providers. This would also effect my telephone e service as I use the same company for both internet and telephony.
