**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. Our household currently has Sonic.com as our FIBER OPTIC internet provider and this is the first time since 2001 that we have enjoyed excellent customer service, outstanding uninterrupted internet service and pay a fair price for that service.

Do not for a minute think that ATT works for consumers and without competition in the marketplace we will suffer and already have.
