**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use an independent ISP because the incumbents can't deliver reliable service and charge WAY too much for the low level of service they provide. Please don't remove regulation that would give the incumbents even more of a monopoly status and prevent the local small guys from competing.

Thanks!
