**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Comcast, Verizon and AT&T take advantage of their users consistently. There's not a single person that I've met that doesn't agree how terrible Comcast is and the service that they provide to their users.

I chose Sonic because they protect my data and provide great service and support.

Please take the time to actually enforce the monopoly laws already in place and follow the spirit of the law which is ment for small business and competition to thrive.

You should be working to make services, business and other entities provide great service to our fellow Americans. Stop working for the business and help your constituents instead.

Thanks!
