**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an Internet access consumer and I support broadband competition. I have chosen sonic.net as my ISP because they offer a superior product at a better price than the large competitors (Comcast, AT&T), with privacy and transparency guarantees that are not offered by the large competitors.

Broadband access is now integral to our lives. My wife and I both work from home.
