**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a photographer running my own small business in San Francisco. I am constantly uploading large batches of files. Since switching to Sonic as my internet provider I have enjoyed fast and reliable service via Fiber. I used to pay the same price with Comcast for ridiculously slow DSL internet. I can also contact Sonic and be on the phone with some in just a few minutes instead of waiting for upwards of an hour on hold with Comcast.

This industry relies on competition in order for it to grow and reach the most people effectively and affordably. Please do not allow these giant corporations to put the Internet in a headlock.

Thank you.
