**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a resident of San Francisco and whole heartedly oppose the claim made from USTelecoms that people like me won't be affected from cutting off access to competitive providers who offer unbundled copper and inter-city transport elements. I will absolutely be materially affected if you allow competition to fast, affordable internet and phone service to be cut off. My ISP is from Sonic and have never been more happy with internet service. USTelecoms petition is completely without merit and I will continue to be very vocal about my support for a competitive market in this sector. Thank you.
