**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a residential customer I have a preference for small service providers as they have better customer service and more importantly, they are clear and upfront on costs and don't cap or charge if you pass their artificial thresholds on data use. Additionally, in our area AT&T service has been particularly bad as it relates to getting service setup historically.

Thank you,
