Re: *Promoting Telehealth and Telemedicine in Rural America*, WC Docket No. 17-310

Dear Ms. Dortch:

On June 14, 2019, Richard Wiley of Wiley Rein LLP, counsel for Education Networks of America (“ENA”), and I of Harris, Wiltshire & Grannis LLP, counsel for TeleQuality Communications, LLC (“TeleQuality”), met with Trent Harkrader, Ryan Palmer, Elizabeth Drogula, Darren Fernandez, and Johnnay Schrieber, all of the Wireline Competition Bureau, and Shane Taylor of the Office of Economics and Analytics. We discussed and reviewed the cost justification filed by TeleQuality on May 24, 2019, and the explanations provided in my letter of February 5, 2019. We incorporate those explanations herein as summarizing the points of our discussion.

Please contact me if you have any questions.

Sincerely,

John T. Nakahata

Counsel to TeleQuality Communications, LLC
