**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a former ATT and Comcast customer. The prices for what you get are disgusting. The customer service was not any better. I am very happy that I had a 3rd option to choose from. I had to cut back on expenses when I retired 2 years ago. And that 3rd choice was a good choice. I like having Sonic and Dish, and I like having the option to choose them if I want to. I vowed to never again give ATT or Comcast any more of my money. If you take away the broadband competition, I won't choose either one of the aforementioned. I can listen to sports on the radio, and I'll read books and do crafts, another choice I can make. People like me wouldn't be able to afford ATT or Comcast anyway, so the money you're seeking won't come from us.
