**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive internet provider because competition keeps the landscape healthier for everyone. Without competition, the few can do whatever they want and will have no need to innovate and make things better for us customers. Broadband competition is must to keep things right. As customers, we demand this.
