**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. Having high-quality service available at competitive prices, and preserving market alternatives, are important to me. Dont let big fish like AT&T write the rules in their favor and kill off local competition. I previously had DSL service but saw options dwindle over the years. We need multiple providers who can support healthy competition.
