**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I receive much better service from Sonic than I did from ATT. I am much opposed to the proposal to cut off access to copper networks by companies like Sonic.

The major companies have a near monopoly on phone and broadband network access. The proposed changes will make it a complete monopoly. There is no way this could be advantageous to me or any other individuals.

David Ziegler
