**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a housebound senior citizen on a very small budget. I have used Sonic for my internet and telephone service for several years. They provide a good reasonable priced service to me. They also provide excellent customer service. It's important to our community too keep broadband service competitive and therefore available to people like me.
