**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We have had service through Sonic for many years for our small consulting company. We work out of our houses, so it is essentially residential service. The company has excellent customer service, in contrast to AT&T. It also has reasonable prices. It would be a travesty to deny our internet and telephone service access to the existing AT&T DSL lines. Reliable and high quality telephone and internet service is essential for our business. Please allow Sonic to retain access to DSL lines and to continue to provide affordable service and knowledgeable service representatives.
