**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would lose my internet connection and be forced to pay double for one tenth the speed. We need to keep competition and allow procedures like Sonic to use the unbundled copper and fiber that exist. Without it we would be forced to only one provider that can give true broadband speed and would cap the usage as well. We need competition and regulation in this marketplace.
